**November 17<sup>th</sup>, 2002**

# Methodology

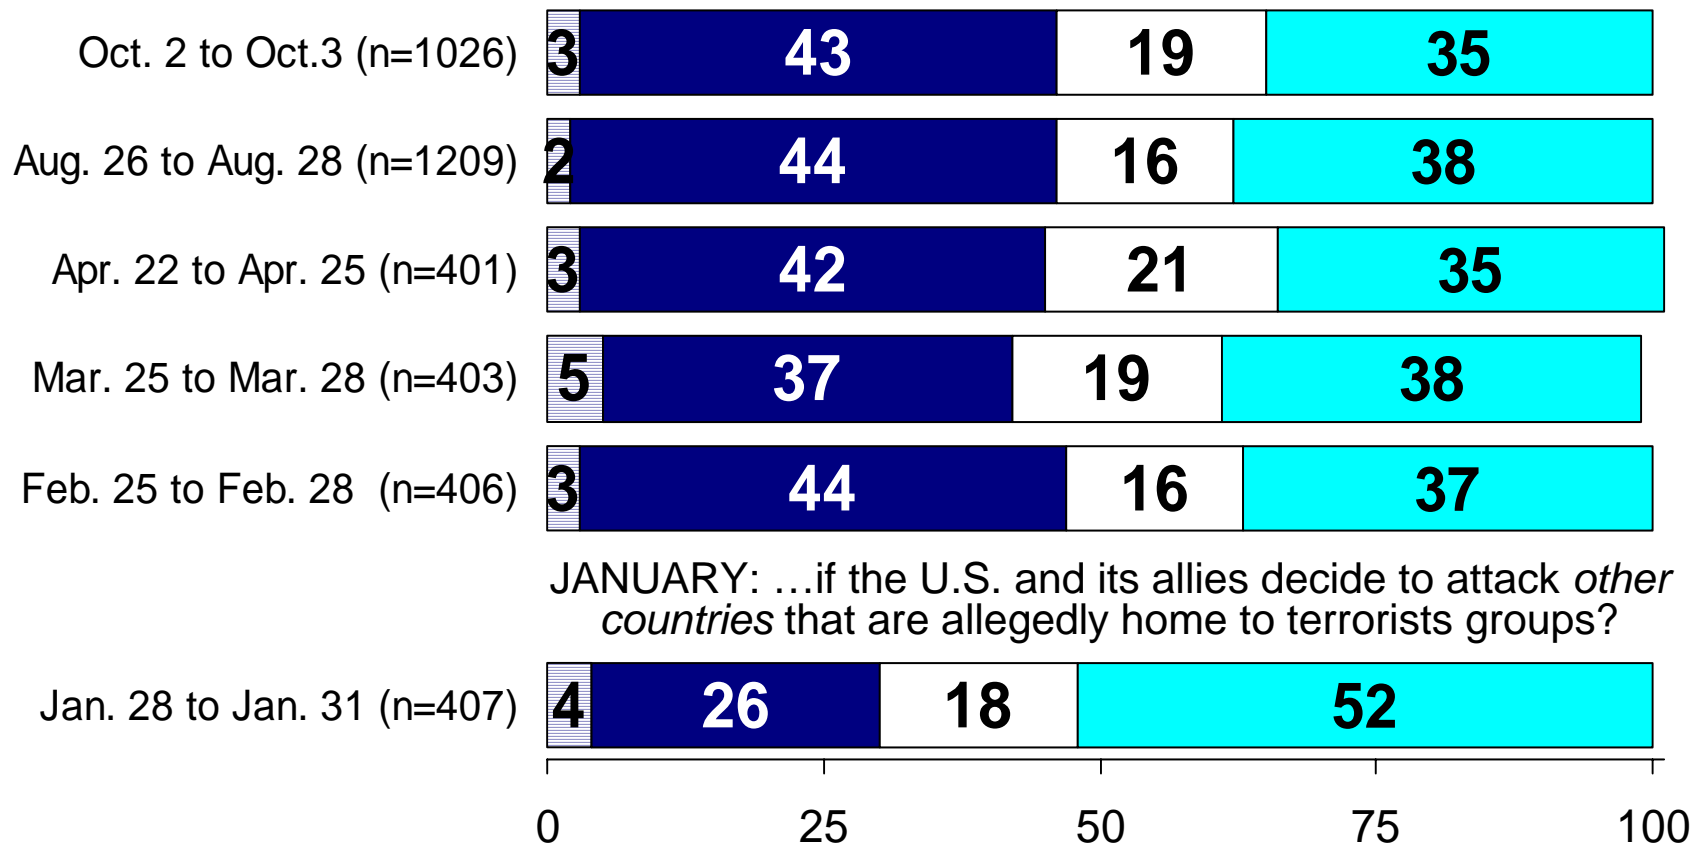

---

- **Telephone survey of the general public**
  - 1,026 completed interviews with a national random sample of Canadians 18 years of age and over
  - Interview period: October 2-3, 2002
  - National results valid within +/- 3.1 percentage points, 19 times out of 20
    - ✓ The margin of error increases when the results are sub-divided.
    - ✓ It should also be noted that the refusal rate and other measurement errors could also increase the margin of error.
  
- **All the data were statistically weighted to ensure the sample's regional, gender and age composition reflects that of the actual population of Canada according to Census data**

# Support for Attacks in Iraq

**Q:** Do you support or oppose Canadian participation if the US and its allies decide to attack IRAQ? Please respond using a 7-point scale where 1 means strongly oppose, 7 means you strongly support and the mid-point 4 means you neither oppose nor support.
