

Views on Federal Role in Health Care:

Data Tables: Banner: (Demographics) Total, Region, Place of Birth, Gender, Age, Income & Education

Date: August 10, 2012

Target Population: Canada National General Public

Field Dates: August 3rd – August 9th

Sample: n=1,044 (MOE +/- 3.03%, 19 times out of 20)

Mode of administration: Probit (Phone)

Table of Contents

When it comes to protecting and strengthening the health care system, would you say that you have more confidence in your provincial government or in the Government of Canada?5

In your view, has the federal government been paying more attention or less attention to health care in the past year?.....6

Using the same scale, do you think the federal government should pay more or less attention to health care in the future?.....7

When it comes to protecting and strengthening the health care system, do you think the Government of Canada should play a leading role?8

Who do you think is most responsible for improving the health care system across Canada? Is it.....9

Who do you think should be most responsible for improving the health care system across Canada? Is it.....10

Which of the following two statements is closest to your own point of view?.....11

Gender.....12

Is your primary residence in an area that you consider rural?.....14

What is the language that you first learned at home in childhood and still understand?.....15

What is the highest level of schooling that you have completed?.....16

What is your annual HOUSEHOLD income from all sources before taxes?.....17

In what country were you born?.....18

Do you consider yourself to belong to any of the following groups?.....19

Paired Choice Questions:

Which of the following should be the highest priority for the Government of Canada?

Reducing national debt and deficit						
Reducing the level of taxation						
Protecting the environment						
Improving the health care system						
Improving our national defence capacity	75%	86%	79%	68%	74%	72%
Reducing crime levels	12%	17%	23%	16%	17%	18%
Reducing national debt and deficit	20%	71%	42%	33%	50%	39%
