

As you may know, the Government of Ontario has recently proposed the construction of Highway 413, a roughly 60-kilometre route across the northwestern part of the Greater Toronto Area that would link the northern edge of Vaughan to the interchange of highways 401 and 407, where Mississauga, Brampton and Milton converge. The estimated cost of project ranges between \$6 billion and \$11 billion. Based on what you know, to what extent do you support or oppose the construction of Highway 413?
